**National Bank of Arizona Opens Doors at Diamond Ventures'
Riverside Crossing**

Tucson, Ariz. (March 15, 2009) — National Bank of Arizona (NBA) held its grand opening of its newest branch in Tucson, AZ. NBA joins Afni Inc., Mahoney Insurance, and various medical operations inside Tucson's premier live, work, and play urban project.

NBA will be joined in the coming year by Sundt Construction. Sundt acquired the adjacent property and has announced that they will build a 46,000 square foot building expected to open in the fall of 2010.

Diamond Ventures, Inc.'s CFO, Bill Kelley, congratulated NBA on their new building, "We commend National Bank on the exceptional facility they have constructed at Riverside Crossing. It is important for our project that NBA develop a strong presence here – and there is no question that they have hit it out of the park. Their building really sets the tone for our project."
